
NOTICE

SCHOLARSHIP - KING'S COMMONWEALTH FELLOWSHIP PROGRAMME PHD

Applications are invited from suitably qualified nationals from Commonwealth Small Island Developing States with Master's level or equivalent experience who wish to undertake a PhD in any of the following subject areas:

- **Climate Change/environment**
- **Education**
- **Engineering**
- **Health**

Fellows will enroll in a PhD programme in their home country while working. Fellows will receive joint supervision from a dedicated partner university (**mainly Australia, Canada, New Zealand, or United Kingdom**), at which they will attend periods of study and /or research methods training.

The fellowship will support each successful recipient with the following:

- GBP 30,000 over 6 years (GBP 5,000 per year) to support research and research visits to the appointed partner University and a waiver of international tuition fees (where applicable).
- GBP 12,000 research grant (GBP2,000 per year).
- 20% salary contribution to the employer of the PhD candidate over the 6 years.
- Dedicated joint PhD supervisors from the partner university and SIDS home university for the duration of the 6-year Fellowship.
- Access, as a member of the 'King's Fellows' cohort, to training to support continued professional development.

Further details of the King's Commonwealth Fellowship Programme PhD Fellowships, including eligibility, participating ACU member universities and details on how to apply, are available on the ACU website at <https://crm.acu.ac.uk/user/login?destination=/form/kings-commonwealth-fellowship-pr>

Applications will close at 13:00 UTC (9:00 a.m. Atlantic Standard Time) on 25 April 2025.
